EXPERIENCE

TeachMe2— *Math, Physical Science and Accounting Tutor*

August 2020- PRESENT

I tutor math, physics and accounting to all grades and curriculums for TeachMe2.

OLICO— *Math Tutor Coordinator*

January 2022 - September 2023

OLICO MATH is a NPO that offers an after school program which seeks to teach learners from disadvantaged schools the foundation and principles of mathematics. I worked as a FET Tutor and Coordinator at Realogile High School where I taught math to grade 10-11 students.

EDUCATION

Wits University — *BSc in Physiotherapy*

FEBRUARY 2020 - DECEMBER 2022(INCOMPLETE)

UNISA— *BSc in Computer Science*

FEBRUARY 2023 - PRESENT

ALX Program — *AWS SOLUTIONS ARCHITECT ASSOCIATE CERTIFICATION*

APRIL 2023 - JAN 2024

I took part in the ALX Program, where I completed the ALX Foundation course that teaches you the relevant soft-skills and problem solving techniques required in the tech industry. I also got certification as a AWS Cloud Practitioner and Solutions Architect Associate.

PROJECTS

ASW Tutors — *Front-End Developer*

Utilizing WordPress, a no-code tool, I developed and hosted the ASW Tutors website, managing both front-end design and back-end functionalities crucial for the company's online presence.

ScholarFi App — *Product Manager*

I led the ALX project addressing education challenges, creating the ScholarFi app offering free, comprehensive learning content for all South African curriculums.
